

Topic: **Reservoir Committee Agenda Item 1-3 2019 October 18**

Subject: **Value Planning**

Requested Action:

None.

Detailed Description/Background:

The Reservoir Committee and Authority Board Value Planning team met on October 1 and 14, 2019. The discussions included items intended to improve the value of the project. The discussions included the following items:

- Assumptions and methods used to support the Affordability Analysis.
- Reservoir size.
- Diversion and filling locations.
- Regulatory reservoirs (TRR, Funks, Fletcher).
- Dam construction techniques.
- Roads, bridges and alternatives to maintain transportation access.
- Water releases/delivery alternatives – pipelines, canals and locations.

Prior Reservoir Committee Action:

None.

Fiscal Impact/Funding Source:

None, at this time.
