Subject: **Consulting Services Agreement (Katz & Associates)**

Requested Action:

Consider approval of a consulting agreement with Katz & Associates for Service Area C – Communications and approved an initial task order and budget for services through March 31, 2019 and authorize the General Manager to sign.

Detailed Description/Background:

Staff has worked with Katz and Associates to negotiate a Consulting Services Agreement for Service Area C – Communications and developed an initial task order utilizing funds from the approved reprioritized Phase 1 Budget to support communications support through March 31, 2019 (end of Phase 1).

At its January 18, 2019 meeting, the Reservoir Committee approved a recommendation to the Authority Board to approve the Katz & Associates consulting agreement and initial task order for services March 31, 2019.

Prior Authority Board Action:

On August 20, 2018, the Authority Board approved the release of the Project Development Support Services RFQ-18-04.

On November 19, 2018, the Authority Board approved the selection of Katz and Associates for Service Area C – Communications.

Fiscal Impact/Funding Source:

Funding for this task order has been assigned from the reprioritized Phase 1 Budget approved by the Authority Board of Directors and the Reservoir Committee.

Based on the participation level associated with those organizations that have elected to execute the 2019 Reservoir Project Agreement, additional task orders are contemplated and will be developed for consideration by the 2019 Reservoir Committee and the Authority. Funding for these additional task orders will be based on the previously approved work plan. This work plan is based on three sources of funding: funds provided by those organizations who have executed the 2019 Reservoir Project Agreement, early funding for eligible activities approved by the California Water Commission, and cost-sharing with the Bureau of Reclamation utilizing funds appropriated by congress in accordance with the WIIN Act and Secretarial approvals.

Prior to commencing any Services under this Agreement, Consultant shall submit to Authority certificates and endorsements in form and substance satisfactory to Authority evidencing that the required insurance coverage is in effect for at least one year prior to the Effective Date. Consultant shall have the option to redact insurance certificates as necessary or appropriate to protect confidential or proprietary information. Consultant may request in writing to Authority that Authority waive insurance requirements or liability amounts. Authority may grant or deny any such requests in its sole discretion. Any amended terms of this **Paragraph 11** shall either be reflected by revisions to this **Paragraph 11** or may be contained in a separate letter agreement, signed by both Parties.

provide that such policy shall not be subject to cancellation without 30 days notice in writing to be delivered by certified mail to Authority at the address set forth in **Paragraph 17**. Should any policy expire or be canceled before the expiration of the Term and Consultant fails immediately to procure other insurance as specified, Authority reserves the right, but shall have no obligation, to procure such insurance and to deduct the cost thereof from any sum due Consultant under this Agreement.

- c. **Insurance in Addition to Indemnification.** Nothing contained in these insurance requirements shall be construed as limiting the type, quality or quantity of insurance Consultant should maintain or the extent of Consultant's responsibility or liability for payment of damages resulting from performing the Services or otherwise, or a limitation on Consultant's liability under this Agreement or as a matter of law.
- d. **Worker's Compensation Insurance.** When applicable, Consultant shall maintain Worker's Compensation Insurance, including Employer's Liability, at a minimum limit of \$1,000,000 for all persons whom it employs in performing the Services. Consultant shall also obtain from any subconsultant

or subcontractor an indemnification in form and substance identical to the indemnification set forth in **Paragraph 10** for the benefit of Consultant and the Indemnitees. Upon request, Consultant shall deliver to Authority certificates and endorsements issued by each subconsultant's or subcontractor's insurance carrier applicable to Authority showing such policies in force for the specified period, but Authority has the right to require subcontractors or subconsultants to submit for Authority's review certified policies.

14. No Advertisement of Services. Unless approved in writing by Authority in its sole discretion, Consultant shall not advertise in any manner that it is performing Services for Authority.

15. Electronic Communications. During the course of this Agreement, communications may occur through sending, receiving or exchanging electronic versions of documents and e-mails using commercially available computer software and Internet access. Contractor and the Authority acknowledge that the Internet is occasionally victimized by the creation and dissemination of so-called viruses, or similar destructive electronic programs. Contractor and Authority view the issues raised by these viruses seriously and each has invested in commercially available document and e-mail scanning software that identifies and rejects files containing known viruses. Contractor agrees to update its system with its software vendor's most current releases at regular intervals. Because of the virus scanning software, the respective computer systems of the Parties may occasionally reject a communication. The

Parties acknowledge that this occurrence is to be expected as part of the ordinary course of business. Because the virus protection industry is generally one or two steps behind new viruses, neither Party can guarantee that its respective communications and documents will be virus free. Occasionally, a virus will escape and go undetected as it is passed from system to system. Although each Party will use commercially reasonable efforts to assure that its communications are virus free, neither Party warrants that its documents will be virus free. Each Party agrees to advise the other if it discovers a virus in its system that may have been communicated to the other Party.

16. Dispute Resolution

- a. **Meet and Confer.** The Parties agree to undertake good faith efforts to resolve any dispute arising under or in connection with this Agreement within sixty (60) days of such disputed item arising prior to resorting to formal means of dispute resolution. If any dispute is not capable of resolution by and among the representatives of each Party authorized to administer this Agreement, Consultant's principal and the Authority's board chair or his/her authorized representative (who shall be the general manager of the Authority or a member of the Authority's board) shall meet and confer in an effort to resolve any such dispute. If such efforts between Consultant's principal and the Authority's designee do not result in resolution of the dispute within thirty (30) days of their commencement, the Parties shall have such other remedies available to them as are provided for in this Agreement or as otherwise exist at law or in equity. No other means of dispute resolution, including arbitration and litigation, shall be available to the Parties unless they have exhausted the process provided for in this **Paragraph 16.a.**
- b. **Arbitration.** Any controversy between the Parties relating to this Agreement shall, on the written request of one Party to the other Party, be submitted to arbitration. The arbitration shall comply with and be governed by the provisions of the California Arbitration Act, Sections 1280 through 1294.2 of the California Code of Civil Procedure. The Parties shall each appoint one person to hear and determine the dispute. If those two arbitrators are unable to agree, then they shall select a third impartial arbitrator whose decision shall be final and binding on both Parties. The costs of arbitration, including attorneys' fees, shall be paid as the arbitrators determine.
- c. **Continuing Enforcement.** No dispute arising under or in connection with this Agreement shall result in Consultant's suspension of the Services or in suspension of Authority's payment obligations as to any portion of the Services or payment therefor that are not directly the subject of the dispute.

17. **Notices.** All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed duly given **(i)** if delivered by hand and actually received by the Party addressee, on the date of such receipt, or **(ii)** if mailed by domestic certified or registered mail, postage prepaid, on the third business day after the date postmarked or **(iii)** if sent by overnight courier of recognized standing, on the date of such receipt. The foregoing notwithstanding, the Parties agree that day-to-day communications concerning routine matters under this Agreement should be communicated electronically using such e-mail addresses as the Parties may provide to one another from time to time. Addresses for notice to the Parties

18. Covenant Against Contingent Fees. Consultant agrees that it has not employed or retained any company or person, other than a bona fide employee working for Consultant, to solicit or secure this Agreement, and that Consultant has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon, or resulting from, the award or making of this Agreement. In the event of a breach or violation of this covenant, Authority shall have the right to terminate this Agreement pursuant to **Paragraph 3(b)(i)(A)**, or, in its discretion, to deduct from Consultant's compensation, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fees, gift, or contingent fee.

19. Conflict of Interest.

- a. Conflict of Interest Code Compliance.** In providing Services the Consultant shall act consistent with any determination made by the Authority's general manager or designated representative that this Agreement requires or permits Consultant to make a governmental decision as specified in 23 CCR 18700.3(a)(1), or serve in a staff capacity as specified in 23 CCR 18700.3(a)(2), and therefore confers on Consultant and select employees of Consultant the status of a "designated employee" or "Consultant" of the Authority for the purposes of Authority's Conflict of Interest Code and the California Political Reform Act. Consultant acknowledges that if the Authority through its general manager determines that some of the Consultant's key personnel are a "designated employee" or "Consultant", Consultant shall **(i)** acknowledge and accept said determination, **(ii)** become familiar with the terms of the Political Reform Act, the Authority's Conflict of Interest Code, and the obligations and limitations said laws impose upon Consultant, and **(iii)** not commence any Services provided for herein until Consultant and each of its designated employees has filed a Form 700 Statement of Economic Interest with the Authority. Authority reserves the right to reevaluate the determination under this **Paragraph 19.a** from time to time, and Consultant acknowledges that said determination is subject to change if and as the Parties amend this Agreement and the nature of the Services. Consultant shall be solely responsible for bearing the costs associated with compliance with Authority's Conflict of Interest Code and the California Political Reform Act.
- b. Disqualification.** Consultant shall not make or participate in making or in any way attempt to use Consultant's position to influence a governmental decision in which Consultant knows or has reason to know Consultant has a direct or indirect financial interest other than the compensation promised by this Agreement. Consultant will not have such interest during the Term hereof. Consultant will immediately advise Authority if Consultant learns of a financial interest of Consultant's during the term of this Agreement. Without limiting the foregoing, if Consultant's participation in another Authority project or a project being implemented by one of its members or a member to a Project Agreement Committee would create an actual or potential conflict of interest, in the opinion of the Authority, the Authority may disqualify Consultant from participation in such other project during the Term hereof.

- c. **Subject Matter Conflicts.** Consultant covenants and agrees that in the event Consultant is providing services to other clients whose interests are not aligned with those of the Authority, Consultant shall not advocate for such other clients in a manner that would result in the communication of such contradictory positions in any public forum.

20. **Miscellaneous Provisions.**

- a. **Waiver.** No waiver by either Party of any breach or default by the other Party under this Agreement shall be construed as a waiver of the same or any subsequent breach or default, nor shall any delay or failure to seek a remedy or exercise a right be construed as a waiver by either Party of its rights or remedies with respect to such breach or default.
- b. **Severability.** If any provision of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be and remain valid, binding and enforceable to the fullest extent permitted by law.
- c. **No Partnership.** The provisions of this Agreement are not intended to create, nor shall they be in any way interpreted or construed to create, a joint venture, partnership or any other similar arrangement between the parties to this Agreement. Consultant's only relationship with Authority is that of an independent contractor.
- d. **No Third Party Beneficiaries.** Except as is specifically set forth in this Agreement, such as to the Indemnitees, no provision of this Agreement is intended to create or grant claims or rights of action against Authority for the benefit of any third parties.
- e. **Further Assurances.** The Parties shall execute such further documents and take such further actions as may be necessary to fully perform under this Agreement.
- f. **Binding on Heirs, Successors and Assigns.** Subject to **Paragraph 18.g**, this Agreement inures to the benefit of and is binding on the heirs, successors, assigns, representatives, agents, employees, subsidiaries and affiliated companies of the Parties, including by transfer of all or substantially all of the assets or any successor by merger or consolidation.
- g. **No Assignment.** Subject to **Paragraph 3.g** above, Consultant shall not assign, transfer or subcontract, in whole or in part, any of its rights or obligations under this Agreement, including without limitation, any payments that may become due or which are due to Consultant, without the prior written consent of Authority, which Authority may grant, condition or deny in its sole discretion. Except as permitted above, no assignment or transfer by Consultant, whether voluntary, by operation of law or otherwise, shall be valid or effective.
- h. **Amendment.** Except as expressly provided for herein, no amendment to this Agreement, including to any of the Exhibits, all of which are incorporated herein, shall be effective unless signed by all of the Parties.
- i. **Entire Agreement.** This Agreement, including the Exhibits, together with the SOQ and RFQ, represents and contains the entire agreement and understanding between the Parties relating to the Services, and all previous statements or understandings, whether express or

implied, oral or written, relating to those subject matters are fully and completely extinguished and superseded by this Agreement.

- j. **Construction.** The masculine, feminine or neutral gender and the singular or plural number shall be deemed to include the other whenever the context so requires. The captions appearing at the beginning of the Paragraphs are descriptive only and for convenience in reference. If there is any conflict between any caption and the content of the Paragraph, the Paragraph, and not the caption, shall control and govern the construction of this Agreement.
- k. **Advice of Counsel.** The Parties acknowledge that they have the right to be advised by counsel with respect to the negotiations, terms, and conditions of this Agreement, and that the decision of whether or not to seek the advice of counsel with respect to this Agreement is a decision which is the sole responsibility of each of the Parties hereto. This Agreement is the product of negotiation and therefore shall not be construed against any Party.
- l. **Governing Law; Venue.** This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of California applicable to contracts made and to be performed in California without giving effect to the principles of conflicts of laws. Any action instituted under this Agreement shall be brought only in the Colusa County, California, Superior Court.
- m. **Remedies.** Any remedies reserved to the Parties in this Agreement shall not be exclusive remedies.
- n. **Attorneys' Fees.** In the event of any litigation under or relating to this Agreement, the prevailing Party shall be entitled to recover such Party's reasonable costs incurred in connection therewith, including, without limitation, reasonable attorney's fees. Attorneys' fees in an arbitration shall be determined under **Paragraph 16.**
- o. **Time of Essence.** Time is of the essence in this Agreement.
- p. **Counterparts.** This Agreement may be executed in one or more counterparts, including by facsimile transmission, each of which shall constitute an original.
- q. **Authority.** Each individual executing this Agreement represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of the corporation or organization named herein and that this Agreement is binding upon said corporation or organization in accordance with its terms.
