- Submit WIFIA Application (March 2023), Receive Water Right Order and Permit (Dec 2023)
- Negotiate terms/close WIFIA loan (March 2024), Enter Financing (July 2024)
- Ad-hoc Subcommittee, Master Resolution

Mr. Cheng expressed interest in the opportunity for Coachella Valley Water District to volunteer for the ad-hoc subcommittee and noted that he has prior experience in receiving the WIFIA loan.

- 3.2 Review and comment on the approach and timing for developing updated board-level decision-making criteria to be considered for implementation through future project phases.

Executive Director Brown discussed a possible ad-hoc workgroup for the governance topic.

Ms. Traynham spoke to the history of the current bylaws and explained there was previously a Governance Committee as part of the original JPA Board. The previous Governance Committee spent many meetings constructing the bylaws at the committee level to present to the original JPA. Ms. Traynham noted that when the Reservoir Committee began, the RC reviewed the bylaws and the only change made was the weighted voting.

Brief discussion followed.

- 3.3 Review and comment on the formation of public engagement working groups.

Mr. Spesert gave a presentation on forming public engagement working groups and spoke to the following:

- Need for a meaningful, productive vehicle for local community input and two-way communication
- Identify local challenges and potential solutions, maximize project benefits to the local community
- Local community working group & Tribal Government working group
- Potential topics of discussion
 - Community: Traffic, economic/jobs, land use planning issues, community benefits
 - Tribal: Cultural resources protection, preservation of Tribal history
- Local community participation
 - Should include representation from the AB and RC, Focus on local community agencies and organizations, try to represent a broad cross-section of the local community
 - Will rely on local participants to identify appropriate organizations, Geographic coverage (Colusa, Glenn, and Yolo)
- Identify and engage with potential participants to gauge interest, Set first meeting date and send invitations, Hold first meeting (tentatively August 2022)

Brief discussion followed.

- 3.4 Receive an update on the status of the Federal Endangered Species Biological Assessment and California Endangered Species Act's Incidental Take Permit Application for the Project's operational components.
