

Reservoir Committee Meeting

Agenda Item 3.1: Water Right Permit Status
Update

August 19, 2022

Water Right: Ongoing Activities

- Submitted application May 11
 - Awaiting response from State Board on acceptance and noticing or needing additional information
- Reaching out to others to proactively address any concerns
 - Water rights holders along flow paths
 - Water rights holders with overlapping season of diversion
 - DWR and Reclamation (ongoing)
 - Non-governmental organizations through our previous small groups

Water Right Schedule

- Aug 2022 – Board deems application complete and releases public notice of protest period (at least 60 days)
- Oct 2022 – Deadline to submit protests
- Nov 2022 through April 2023 – Minimum 180-day protest resolution period
- May 2023 through February 2024 – Hearing preparation, conduct hearing, final decision and written permit issued
- Hearing process and timelines are estimates and some latitude for Board to expedite in this area
