YES NO

I would like to make the following comment on the Sites Reservoir Project, to be filed in the record:

Over 1000 Acres of our ranch at the south end ~~of~~ ^{will be in} Sites, We want to graze to the water line. This 1000 Acres will not be under water all the time. Cattle will take care of weeds and grass.

Facts: Sites Reservoir will increase temps by 10 degrees and the humidity with fog.

I would like to receive A list of all property owners of the site.
