

**Sites Project Authority
Request for Qualifications No. 25-01
Reservoir Package Construction Manager at Risk**

Addendum 01

The following provides an addendum to the subject RFQ.

- **Question No. 1:** We understand that a site walk took place yesterday with interested parties. Will the Authority be providing a list of registered attendees? Additionally, we would like to confirm whether a sign-in sheet was used and if it will be made available.
 - **Response:** Sign in sheet from the Mandatory Pre-Statement of Qualifications Submittal Meeting and Site Tour, held on Wednesday 1/29/2025, is included on pages 2 through 6 of this document.
