Addendum 04

This addendum provides clarifications regarding the SOQ.

- Question 7 in Addendum #2 stated that Forms A, B, and C are to be included in the 50-page limit. This addendum provides additional clarification on this requirement. For a Joint Venture Team only the forms for the Firm constructing the Sites and Golden Gate Dam will be counted toward the 50 pages. Other JV team member forms shall be included but will not count toward the 50 pages.
