- 1.5 Reservoir Committee and Authority Board consider approval of a consulting agreement/contract with Starting Line Advisory to provide Financial Accounting services in the amount not to exceed \$50,000 (\$5,000/month) for the period of September 1, 2025, through June 30, 2026. **(Attachments A & B)**
- 1.6 Reservoir Committee and Authority Board consider approval of a task order amendment with CH2M (Operations) for additional modeling services in the amount of \$340,277 increasing the total task order amount from \$3,847,125 to a revised total not to exceed of \$4,187,402 for the period of January 1, 2022, through December 31, 2025.

2. ACTION ITEMS:

- 2.1 Reservoir Committee and Authority Board consider approval to submit the Sites Project's Step 2 Operations Biological Assessment (project-level analysis) to the Bureau of Reclamation for consultation under the Federal Endangered Species Act.

Ms. Forsythe introduced the item and explained that the purpose is to give background information related to the operations' biological assessment. She explained that there was a two-step Endangered Species Act (ESA) approach, with Step 1 consisting of a mix of programmatic consultation for the project, and Step 2 addressing Project-level operations. She said the second step includes an amendment consultation after Central Valley/State Water (CVP/SWP) biological opinions (BiOps) to cover Sites operations at a project-level, and not a stand-alone independent BA/BiOps.

Ms. Forsythe reviewed project-level operations analysis of the 2024 long-term operation BiOps, and said Sites is not a division of the CVP and will not reconsult every time there is a CVP/SWP reconsultation.

Ms. Forsythe reviewed what this item update means to the Project's process and schedule. She said the schedule is still set for completion in late 2025.

The Committee and Board briefly discussed the item and Ms. Forsythe confirmed the Project wants to minimize the number of times there is reconsultation. Hearing no further discussion, Chair Durst called the question.

ACTION RC: It was moved by Mr. Cheng, seconded by Ms. Traynham, to recommend approval of agenda item 2.1 to the Authority Board. **Motion carried unanimously.**

ACTION AB: It was moved by Director Vanderwaal, seconded by Director Evans, to approve agenda item 2.1. **Motion carried unanimously.**

- 2.2 Reservoir Committee and Authority Board consider authorization for Executive Director to enter into an Early Funding Agreement with the California Water Commission (CWC) for up to 5% of the \$218, 977,138 recently added to the Sites Project Prop. 1 Maximum Conditional Eligibility Determination.

ED Brown introduced the item and gave a review of staff's meeting with the California Water Commission. He said it was a very positive meeting in general.

ED Brown gave a recap of the adjusted funds and the sources of the increased funding amount. He noted the CWC's designated purpose for the funds is to support inflationary increases in project costs. He reviewed the cash flow and schedule projection with the additional early funding, along with the projected cash drawdown through 2026 with additional Water Storage Investment Program (WISP) funding.

ED Brown reviewed the schedule with the later water right and cash flow/schedule projection, with additional early funding. He explained the purpose of the requested action and noted this is a new early funding agreement.

Hearing no further discussion, Chair Durst called the question.

ACTION RC: It was moved by Mr. Azevedo, seconded by Mr. Weghorst to recommend approval of agenda item 2.2 to the Authority Board. **Motion carried unanimously.**

ACTION AB: It was moved by Vice Ms. Kaplan, seconded by Vice Chair Sutton to approve agenda item 2.2. **Motion carried unanimously.**

3. **DISCUSSION AND INFORMATION ITEMS:**

- 3.1 Review and comment on preparations to issue a request for Interim Construction Financing and related services.

Ms. O'Connell, Finance Manager, explained that this item relates to Step 1 of a two-step process to secure interim financing. She said local firms are being invited to apply in order to have a fair selection process.

Chair Durst asked if this would be given to one firm or numerous firms, and Ms. O'Connell stated the Project is open to different possibilities, and the intent is to secure qualifications to ultimately establish a short list.

ED Brown explained the role of revenue bonds as it relates to this item.

Mr. Navarrot asked how local banks have been reached out to, and Ms. O'Connell said she made phone calls to make local firms aware.
